

Dear English LK,

It has been a long time since I last saw you and I must say, I miss our normal lessons.

I hope you and your families are okay and you are not having too much trouble reading Brave New World.

Before we carry on with our topic, please send me your creative tasks via mail (preferably all creative tasks in one document). Just as a reminder, these were the creative tasks:

Ch 6 a) Draw a picture or create a collage depicting the World State in contrast to the Reservation.

Ch 7 & 8 a) John is very keen to discover the World State. Explain some of his motives in a diary entry from John's point of view.

Ch 11 a) How do you imagine Lenina feels at the end of the chapter? How do you imagine she will react in the following days? Write her interior monologue.

Ch 15 a) Design an advertisement for soma.

The novel: Write a short Instagram post in which you explain why (not) to read the novel.

Please make sure to e-mail me your individual solutions before 27th April 12am. Thank you.

Feel free to contact me via schoolmail if you have any questions.

For your oral exams that will hopefully take place in the middle of June, you can already start thinking about which two partners you would like to work with (3 people total in one team).

Hope to see you soon.
